## POSTAL NONBANK FINANCIAL SERVICES

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Madam Speaker, as a senior member of the House Appropriations Committee, I am very honored to be co-leading efforts to provide \$6 million for postal nonbank financial services in a pilot program through the U.S. Postal Service.

I am thankful to my House colleagues, Congressman BILL PASCARELL and Congresswoman ALEXANDRIA OCASIO-CORTEZ, and our friends in the Senate for joining our effort.

The COVID-19 pandemic has demonstrated that many Americans are left behind by Wall Street bankers.

As unemployment soared in 2020, the U.S. Congress swiftly provided relief through economic stimulus payments, unemployment insurance, and so much more to America's workers, yet over 63 million Americans, including many who are impoverished, lacked the most basic banking services to access these funds and to conduct the simplest financial transactions. Like, for example, paying a utility bill.

Yes, according to the FDIC, some 63 million adults are considered underbanked in urban, suburban, and rural communities across our Nation.

In the last Congress, Congressman PASCARELL and I successfully led a Financial Services amendment to the FY21 Appropriations bill to include \$2 million for postal financial services, and we look forward to reintroducing our bill and to getting it passed in both Chambers this year.

## RECOGNIZING CAPTAIN PATRICK C. POLIS AS TENNESSEE'S SECOND DISTRICT VETERAN OF THE MONTH

(Mr. BURCHETT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BURCHETT. Madam Speaker, I rise to recognize Captain Patrick C. Polis as Tennessee's Second District Veteran of the Month.

Captain Polis was drafted into the United States Army in 1966 as a private, then attended Officer Candidate School and earned the rank of second lieutenant. He served two combat tours of duty, Madam Speaker, during the Vietnam war, rising to the rank of captain during the war. He was later awarded the Bronze Star Medal and Army Commendation Medal for his service.

He left the Army in 1974 and, regrettably, he attended the University of Alabama, being we are from Tennessee, but he did graduate magna cum laude in 1981.

Following a career in business management, he returned to school at the Asbury Theological Seminary and earned a master's degree in divinity in 1993. He used his religious education to serve as a pastor at the United Methodist Church in Knoxville from 1993 to 2019. He also served as chaplain for the Knoxville Police Department.

In 2019, he was inducted into the Army Officer Candidate School Hall of Fame at Fort Benning, Georgia.

Captain Polis and his wife, Sandra, still reside in Knoxville. He remains active in the veteran community through the Vietnam Veterans of America, serving as president of the Captain Bill Robinson Chapter 1078.

I thank Captain Polis so much for his service to our country. It is my honor to recognize him today on the floor of the House of Representatives.

Madam Speaker, he is just an outstanding individual.

## CARDINAL O'HARA LADY LIONS CAPTURE SCHOOL'S FIRST-EVER STATE BASKETBALL TITLE

(Ms. SCANLON asked and was given permission to address the House for 1 minute.)

Ms. SCANLON. Madam Speaker, I rise today to celebrate the Cardinal O'Hara Lady Lions basketball team, which recently won the PIAA class 5A

girls championship, securing their first-ever State basketball title.

On March 27, the team defeated the defending champion, Chartiers Valley, 51-27, led by junior Sydni Scott's game-high 16 points.

The victory made history on several fronts. Not only was this the school's first State basketball championship, but it also marked just the third time a mother-daughter duo has won a PIAA state title, with Coach Chrissie Doogan at the helm and her daughter Maggie playing forward. O'Hara's win also gave the Philadelphia Catholic League the distinction of becoming the first league to win three straight girls' titles in the same year.

The young women of Cardinal O'Hara are an inspiration to our Delaware Valley community. Congratulations to the entire Lady Lions basketball team. Keep making HERstory.

#### OPPOSE PACKING THE SUPREME COURT

(Mr. GIMENEZ asked and was given permission to address the House for 1 minute.)

Mr. GIMENEZ. Madam Speaker, I rise in strong opposition to the proposal by some Members to pack the Supreme Court.

At first glance, you would think this came from Hugo Chavez or Nicolas Maduro, pictured here. It is sad to see that it actually comes from some people in this institution.

As a Cuban exile who fled the Communist Castro regime, I know the consequences of these dictatorial moves to centralize power in the hands of a few ideologues.

Packing the courts is a tactic used by brutal dictatorships, like Venezuela, to consolidate the Socialists' power, which resulted in tens of thousands of court rulings in its favor and basically destroyed the country.

Packing the courts sets the precedent for the judicial branch being expanded at every transition of power, with each President wanting to put their four or more additional Justices, which eventually could result in hundreds of Justices of the Supreme Court.

This proposal to fundamentally rebalance our judicial system towards one political ideology should not only be opposed, but must be condemned to the fullest extent.

I will fight to my last breath the attempts by anyone to fundamentally change government in such a militant manner.

#### WOMEN STILL DON'T EARN EQUAL PAY FOR EQUAL WORK

(Ms. LEGER FERNANDEZ asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LEGER FERNANDEZ. Madam Speaker, it has been 58 years since the

enactment of the Equal Pay Act, yet still women don't earn equal pay for equal work.

In my district, women only earn 78 cents for every dollar a man earns. The wage gap is even wider for Latina, Black, and Native-American women.

This isn't simply a women's issue. This is a family issue. When women earn too little, their families are short-changed, too.

This is a civil rights issue. When employers discriminate against a woman, they undermine justice for everyone.

The Paycheck Fairness Act will give women the tools we need to challenge sex-based pay discrimination. It will give employers the guidance they need to pay their employees what they deserve.

I ask my colleagues in the Senate to step up. Let this be the year that we work together to pass this landmark bill and send it to the President for his signature.

#### HONORING JACK MARSHALL JONES, JR.

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember and honor Jack Marshall Jones, Jr., of Savannah, Georgia, who, sadly, passed away on April 3 at the age of 84.

Jack was born in Savannah and went on to graduate from the University of North Carolina, Chapel Hill with a degree in economics.

As an active member in the Savannah community, Jack served on several boards, including Armstrong State University Foundation, Savannah Country Day School, and the Savannah Rotary Club.

Jack was also a founder and director of First Bank of Savannah and the Savannah Bancorp.

In his free time, Jack enjoyed exploring the Wilmington River and the treasure of our beautiful coast.

However, it was his loving relationship with his wife of 60 years, his family—including his granddaughter and a former member of my staff, Caroline—and friends that fulfilled him.

I am thankful for the immense impact he had on the Savannah community, and I know his legacy will remain.

My thoughts and prayers are with his family, friends, and all those who knew him during this most difficult time.

#### CELEBRATING YOM HA'ATZMAUT

(Mr. DEUTCH asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DEUTCH. Madam Speaker, I rise today in recognition and celebration of Yom Ha'atzmaut, Israel's Independence Day.

On this day 73 years ago, the Israeli Declaration of Independence was

signed, marking a long-awaited historic day, the formation of the world's only Jewish state in its modern form.

As a proud American Jew and a proud supporter of Israel, it is a privilege to recognize Israel and its contributions to the international community.

Israeli innovation in areas like water, technology, and agriculture have yielded dramatic advancements with global impact.

I am proud the bills passed in this Chamber, including legislation to affirm Congress' overwhelming support for Israel and strengthen the U.S.-Israel relationship.

We are witnessing a new era as Arab States normalize their relations with Israel, which will create incredible opportunities for cooperation in the Middle East. I look forward to supporting those growing ties.

I am proud to stand here today in strong support of Israel and the U.S.-Israel relationship on this 73rd Yom Ha'atzmaut.

#### IN HONOR OF ISRAEL

(Ms. MANNING asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MANNING. Madam Speaker, 73 years ago, in the aftermath of the Holocaust, a courageous group of Jewish leaders declared the creation of the State of Israel. Eleven minutes later, President Truman announced the U.S. recognition of the new State.

Truman was persuaded that in an area like the Middle East, where there had never been any tradition of democratic government, it was important for the long range security of our country that a nation committed to a democratic system be established there.

Even today, Israel remains the only democracy in the Middle East with fair elections, a free press, free speech, a court system that is open to all, and protects the rights of women and minorities.

Israel has welcomed millions of immigrants fleeing persecution and war from across the globe. Its thriving economy has a vibrant, high-tech sector and medical breakthroughs that have benefited the world. Israel has literally made the desert bloom with innovative irrigation, desalinization, and agricultural techniques.

Israel is our most reliable ally in the Middle East. Our countries share military exercises and intelligence and have developed cutting-edge missile defense systems and border security technology.

Israel's brave founders created an extraordinary nation that has provided immeasurable value to our country and the world. May our countries be blessed with many more years of friendship.

#### PACKING THE SUPREME COURT IS AN ABSURD PROPOSAL

(Mr. LAMALFA asked and was given permission to address the House for 1
